

Holy Oil

Grapes have long been known to possess arcane powers and they form the basis of your Magickal Holy Oil that can be used in all Rituals.

In a cup or glass slowly squeeze three choice grapes. Sprinkle a little salt into the container then add a tablespoonful of vegetable oil. Olive, peanut, corn, cottonseed, sesame, poppy seed – any type of oil used in cooking is just fine.

Add some more grapes, press the mixture down with a spoon and sprinkle in more salt. Then add a tablespoonful of oil. Continue this until your container is almost full. Cover it with a saucer or suitable lid and put it in a cool, dark place for 24 hours.

At the end of that time, pour the mixture through a cloth or sieve into a convenient bottle or jar that has a cork or a lid. Discard the used grape pulp. Label the container so you don't accidentally use the Holy Oil for cooking.

Bless the oil as follows. You need repeat the Blessing only when you make a fresh supply of oil.

"Creature of the Elements.

"You are created for me

"To focus the Forces of Good.

"Be blessed in the Name of the Highest."
