### Rising Sign is in 14 Degrees Pisces

Very sensitive to your surroundings, other people's feelings become your feelings. Try to avoid negative people because your tendency to empathize with them will make you negative also. An idealist, you must believe in something beyond your normal everyday existence. A dreamer, you like to escape to a world of your own creation. As such, you are known for the vividness of your imagination and should try to share your inner visions with others. Very self-sacrificial by nature, beware of others becoming overly dependent on you or vice versa. Allow yourself to live for yourself once in a while -- you deserve it. Don't be so envious of those who are more aggressive than you -- your gentle charity and true humility are indeed wonderful gifts. on the tenth house cusp (MIDHEAVEN).

### Sun is in 28 Degrees Capricorn.

Extremely serious and mature, you are capable of accepting responsibilities and do so willingly. Others expect you to be dutiful as a matter of course. You tend to get angry when people get rewards after not having worked anywhere near as hard as you. You are goal-oriented and an achiever by nature -- you're a hard worker and are justifiably proud of the tangible results of your efforts. You tend to have "tunnel-vision" -- this allows you to block out extraneous matters that might distract others and to concentrate totally on the matter at hand. As such, you are the ideal one to manage or administrate any ongoing project and to be practical and efficient at it. You are not a fast worker, but you are quite thorough. You are known for being totally persistent, tenacious and tireless in reaching your goals.

### Moon is in 27 Degrees Aries.

High-spirited and courageous, you are a fighter when your emotions are aroused. The degree of force and drive that you can bring to any effort sometimes surprises others. You have hair-trigger reactions to specific stimuli and tend to "let it all hang out." You sometimes act before you think and do things on the spur of the moment, and that sometimes gets you into trouble. Your moods change quickly -- you have quite a temper, but you don't hold grudges. Very independent, with an extremely strong and forceful personality, you are known for being impulsive, careless, reckless, foolhardy, rash and daring.

### Mercury is in 05 Degrees Capricorn.

You are a careful thinker, very cautious and conservative. You are quite skillful at organizing, directing and planning activities. Practical and useful things interest you -- you are not attracted to abstract thoughts or ideas.

With your tendency to be highly focused and very goal-oriented, you have a good head for business. But beware of a tendency to be narrow-minded and dogmatic. Your sense of humor tends toward being earthy and slapstick crude.

**Venus is in 14 Degrees Sagittarius.**

You are very aware of the need to maintain a high sense of morality in a relationship. Your loyalty and interest will remain constant in any relationship (either friendly, personal or business) that is based on fairness, honesty and justice. But you will become greatly hurt and disappointed if the other person takes any but the high road with you. Also, you cannot tolerate anyone being overly emotionally possessive of you. You are known for your friendly, outspoken manner.

**Mars is in 28 Degrees Cancer.**

Your moods are very important to your overall well-being. You are confident and self-assertive when you are feeling upbeat, and you are retiring, irritable and grumpy when you get depressed about anything. Very sensitive, you wear your heart on your sleeve. You are easily angered whenever you think someone has slighted you. It is best for you to show your anger immediately and let it all out, rather than to try to hold it in or to hold grudges for a long time. You're extremely loyal and defensive of your family, neighborhood, community and culture.

**Jupiter is in 08 Degrees Scorpio.**

You love to dig deep beneath surface appearances in order to find out what is really happening. A persistent researcher, you are very interested in the psychology of any situation. You tend to become overwhelmed by the complexity of what you uncover, however, and that makes you a bit gun-shy about explaining things to others. But you must learn to try to communicate as best you can because what you know is really very valuable to others.

**Saturn is in 19 Degrees Sagittarius.**

Basically quite conservative, you respect traditional authority figures and are very thankful and supportive of the laws and institutions which govern your life. You learn and accept new ideas only after having very thoroughly examined them. Ideals and abstract concepts are important to you only if they can be used in some practical fashion. You are so practical and so orderly that you have natural skills in planning, administrating and organizing.

**Uranus is in 06 Degrees Sagittarius.**

You, and most of your peers, have the tendency to think that all ideas, customs and traditions from the past are outmoded and irrelevant. You are attracted to radically new ideas, philosophies and religions that will, hopefully, cause sweeping changes throughout the world.

**N. Node is in 08 Degrees Capricorn.**

You rarely get involved closely with anyone unless he or she has something specific and practical to offer you. You tend to be "all business" when it comes to dealing with others. You're usually so intently focused on a particular goal that you rarely have time for social niceties or casual fellowship. But you can definitely be counted on by others to get things done. When you say that you'll do something, you do it. As such, you're a valuable member of any team situation and will probably rise to a position of leadership within the group. Your trustworthiness and sense of responsibility are unquestioned. But do try to avoid the temptation to "use" others to reach your goals -- they might come to resent you.
