**Tiger Woods December 30, 1988 10:50 PM Cypress, CA**

**Rising Sign is in 25 Degrees Virgo**

You tend to be very shy and not very self-assertive. You are supercritical about how you appear to others. Even though you may think you are uninteresting and dull, you are actually quite soft-spoken, orderly, neat and very likable. You are a perfectionist with high standards, and at times you can be quite tactless in pointing out the faults of others. Very practical, efficient and purposeful, your appearance and bearing reflect your need to appear graceful, sensible and reserved. You have a crisp, no-nonsense approach to dealing with others. Never lazy or self-indulgent, you tend to be dedicated to the work ethic.

**Sun is in 09 Degrees Capricorn.**

Extremely serious and mature, you are capable of accepting responsibilities and do so willingly. Others expect you to be dutiful as a matter of course. You tend to get angry when people get rewards after not having worked anywhere near as hard as you. You are goal-oriented and an achiever by nature -- you're a hard worker and are justifiably proud of the tangible results of your efforts. You tend to have "tunnel-vision" -- this allows you to block out extraneous matters that might distract others and to concentrate totally on the matter at hand. As such, you are the ideal one to manage or administrate any ongoing project and to be practical and efficient at it. You are not a fast worker, but you are quite thorough. You are known for being totally persistent, tenacious and tireless in reaching your goals.

**Moon is in 10 Degrees Libra.**

Affectionate, warm and friendly, life must be a "beautiful" experience for you. Unpleasantness should be avoided at all costs. You tend to overlook other people's faults and you would rather give in than fight. You are uncomfortable with strangers, but at ease and sociable with friends and associates. Indeed, you would rather socialize than work -- you can use your prodigious charm to avoid unpleasant tasks. You need the support and assistance of another in order to get you started on any new project -- you are not a self-starter. Be careful of a tendency to be overly self-indulgent (i.e., lazy). Your refined aesthetic sensibilities attract you to music, dance, art and any other cultured activity.

**Mercury is in 26 Degrees Capricorn.**

You are a careful thinker, very cautious and conservative. You are quite skillful at organizing, directing and plan-

ning activities. Practical and useful things interest you -- you are not attracted to abstract thoughts or ideas. With your tendency to be highly focused and very goal-oriented, you have a good head for business. But beware of a tendency to be narrow-minded and dogmatic. Your sense of humor tends toward being earthy and slapstick crude.

**Venus is in 16 Degrees Sagittarius.**

You are very aware of the need to maintain a high sense of morality in a relationship. Your loyalty and interest will remain constant in any relationship (either friendly, personal or business) that is based on fairness, honesty and justice. But you will become greatly hurt and disappointed if the other person takes any but the high road with you. Also, you cannot tolerate anyone being overly emotionally possessive of you. You are known for your friendly, outspoken manner.

**Mars is in 19 Degrees Aries.**

You are very independent and self-assertive, and you have lots of physical energy. You are not satisfied unless you can be the first to do something. As such, you are more comfortable in leadership positions than you are as an underling. When you are challenged by anyone for anything, you delight in the competitive process and will fight long and hard for your beliefs. You are bold and courageous and often act without thinking. At times, in your zeal to get ahead, you are tactless and offensive -- learn that cooperation with others can often bring you nearer to your goals quicker because of the support you will get.

**Jupiter is in 26 Degrees Taurus.**

Growth only occurs for you after you have found a stable lifestyle and a dependable, protective and secure environment. You are at your best when those around you provide you with a great deal of affection and support. When you feel insecure or threatened, you tend to become possessive and grasping and self-indulgent. You are an inveterate collector with an expensive preference for all the good things that life has to offer.

**Saturn is in 05 Degrees Capricorn.**

Very serious-minded and mature, you have the ability to take on responsibilities and to carry out important duties. You can also be trusted to be extremely practical and thrifty. A good organizer, you are the ideal one to be counted on to take a clearly defined project through to its logical conclusion. An achiever, you pride yourself on your ability to focus your attention totally on some worthy goal and then attain it.

**Uranus is in 01 Degrees Capricorn.**

You, and your peer group as well, seek out practical solutions to a changing society's attitudes to customs, traditions and authority structures. Your logical and orderly manner of dealing with these matters will result in permanent and carefully planned, but sweeping, reforms.

**Neptune is in 09 Degrees Capricorn.**

You, and your entire generation, will idealize work, practicality and the ability to attain reasonable goals. But, because you will also stress the need to be selfless and giving, you may find it difficult to attain your goals unless you have lowered your expectations on all fronts.

**Pluto is in 14 Degrees Scorpio.**

For your entire generation, this is a period of intense research and discovery in areas that were heretofore considered mysterious, remote or taboo. The root causes for many complex occurrences will be unearthed due to the intensity and thoroughness of the search.

**N. Node is in 06 Degrees Pisces.**

You're attracted to others who need your assistance. You seem to go out of your way to form relationships with those who are weak, sick, injured, addicted or troubled in some way or other. At your best you can indeed provide the relief that others need. But at times you can be victimized by those who would prey on your good nature and take advantage of you. This can lead to all sorts of negative situations -- make sure that those you assist are truly worthy of your time, energy and commitment. A little enlightened self-protectiveness on your part can make your life work much, much smoother!
