Betty White January 17 1922 6:38 PM CST Oak Park, IL

Rising Sign is in 19 Degrees Leo

You love to be the center of attention and you want to appear strong, confident and dominant. You are very proud of yourself, sometimes quite vain even. When all around you are bedraggled and falling apart, you look like a million bucks! Very dignified and honorable, you enjoy the power and privilege, but not the responsibilities, that come with leadership. You are very idealistic but can also be quite stubborn. Others impress you only if they have integrity (but wealth, power and influence can also turn your head). You prefer rich, elegant surroundings and possessions, and will try to acquire them as your budget allows. Physically, you are very impressive - - at your best you have a regal, charismatic demeanor and bearing. Try not to be such a showoff!

Sun is in 27 Degrees Capricorn

Extremely serious and mature, you are capable of accepting responsibilities and do so willingly. Others expect you to be dutiful as a matter of course. You tend to get angry when people get rewards after not having worked anywhere near as hard as you. You are goal-oriented and an achiever by nature -- you're a hard worker and are justifiably proud of the tangible results of your efforts. You tend to have "tunnel-vision" -- this allows you to block out extraneous matters that might distract others and to concentrate totally on the matter at hand. As such, you are the ideal one to manage or administrate any ongoing project and to be practical and efficient at it. You are not a fast worker, but you are quite thorough. You are known for being totally persistent, tenacious and tireless in reaching your goals.

Moon is in 28 Degrees Virgo

You tend to be serious-minded but cheerful for the most part. You need tasks that engage both your mind and your hands. A careful worker, you enjoy making things. You are neat and orderly, and are very concerned with good health habits. Fastidious to the extreme, you cannot tolerate messes and will immediately clean them up. Reserved, shy, and very self-critical, you tend to be very hard on yourself. You usually will go out of your way to be helpful and useful to others. Practical, reliable, efficient and conservative, at times you are a bit of a prude. You are known to lead a simple, uncomplicated, frugal, methodical lifestyle. You are devoted and caring to those you love.

Mercury is in 10 Degrees Aquarius

You tend to be very opinionated -- you have strongly felt notions about things and are quite vocal about expressing and defending them. Yet you are also an original thinker -- you enjoy shocking others with your offbeat, original thoughts. You appreciate and need mental and intellectual stimulation. Your judgment is usually fair and impartial -- you can be a good critic because you can remain objective and unemotional about most things.

Venus is in 21 Degrees Capricorn

You tend to keep your feelings under control -- emotions are only released in serious or important situations. You are distrustful of others whose behavior could be judged excessive or immoderate. As such, you prefer to relate only to those who are older than you or to those whose position is such that respect and duty are more important for both of you than passion or emotional response. Be careful, however, of relationships that are merely based on practicality or utility or you will ultimately be lonely.

Mars is in 12 Degrees Scorpio

Your likes and dislikes are strong and intense, never casual or superficial. You are known for your persistence and willful obsession. Once you have decided on a course of action, you are unstoppable. Your emotional actions tend to be extreme, although you try to keep them muted. You are not quick to anger, you do slow burns. And you tend to release your anger as sarcasm or irony. Beware of your tendency to hold grudges and to be vengeful. When you do fight, or release your internal tensions, you do so body and soul -- you become totally passionate and your outbursts are awesome to behold.

Jupiter is in 18 Degrees Libra

You are generally good at balancing opinions and judging issues, but you tend to be indecisive when it comes to making up your own mind. You are objective and quite concerned with fair play and justice. But, when it comes to yourself, you are so aware that whatever you do might upset the apple cart that you often choose to compromise rather than do anything that might make you lonely or vulnerable. Relationships are very important to you -- you learn about yourself and grow through observing yourself interacting with others. Your aesthetic tastes are refined, but expansive and expensive.

Saturn is in 07 Degrees Libra

Although you take quite a while to make decisions, you usually consider all sides to a question, all the pros and cons, and the solution you come up with is very often the correct one. You tend to be very reserved and shy, but, once you make a commitment to someone (in either a business or personal relationship), the partnership is forever. You have a strong sense of justice and fair play and greatly respect the laws and institutions by which you are governed. As such, you are outraged when others break laws or show contempt for authority.

Uranus is in 07 Degrees Pisces

You, and most of your peers, are extremely idealistic and want to change society by completely reorienting its highest religious goals and aspirations. Just be careful to make sure that your new goal structures are properly grounded in reality so that they have a chance of being accepted by the majority.

Neptune is in 15 Degrees Leo

You, and your entire generation, idealize aggressive behavior and the need to be individualistic. But, because you are also attracted to selflessness (the denial of the ego) as a worthy life goal, you tend to have confused expectations about why self-expression is so valuable.

Pluto is in 08 Degrees Cancer

For your entire generation, this is a period of profound global changes, especially in the nature and shape of family structures. In one such period, in the Twentieth Century, major calamities such as depression and world war accelerated the replacement of the old village-oriented extended family by modern cosmopolitan living.

N. Node is in 11 Degrees Libra

You find it very difficult to be comfortable being alone -- you would much prefer to be in an environment where many people are working together toward common goals. Your charming and sincere approach to others assures your popularity -- you have the gift of being able to ease tensions just by your mere presence. You're the perfect "team player" willing to sacrifice your own importance so that the group goal can be accomplished. Be careful, however, not to become overly dependent on your interactions with others -- you have personal private needs that should not be neglected.
