LAFFS FROM THE MOJO BROS.

A Minister buys a lawn mower at a garage sale. Back at the church, the Minister starts to mow the shaggy lawn. He pulls on the starter rope a few times but nothing happens. He storms back to the garage sale and says to the lawn mower's former owner, "You sold me a lemon! I can't get the mower to start!"

"That's because you have to curse to get it started," the man tells the Minister.

"Curse!" the minister protests, "I'm a man of the cloth! I don't even remember how to do any cursing."

"You keep pulling on that rope," the man says, "and it'll all come back to you."

One afternoon, a state trooper on the thruway pulls over a speeding priest. Instantly, he can smell alcohol on the priest's breath. The next thing he notices is an empty wine bottle lying over on the passenger seat.

"Have you been drinking?" the officer asks.

"Just water," says the priest.

"Then why do I smell wine?"

The priest looks at the empty bottle and shouts, "Good Lord! He's done it again!"

JOE

I have done FREE Tarot readings for over a decade on the ASK1RADIO Psychic Network. I take calls from all over the world.... Hear me on Wednesdays at 11pm Eastern time, or on demand at the show archive at:

KICKED OFF FACEBOOK!

As you might know by now, FACEBOOK suffered an outage in March. It did not last, but since that outage I have been unable to log into my account. Many of you have followed me there, and now I am blocked from logging in. I started a new account, BUT THAT WAS DISABLED AND I WAS ACCUSED OF USING A FAKE NAME. As if I would make up the name "Camarena." Would you make up such a name?

As of now, the only Social Media open to me is Twitter (X) as RevEliot and at ME/WE under the name @eliotcamarena.74

I sure hope that we can get together there. I will soon be making more video presentations exclusively for my account over at YOUTUBE: EMMFC

FREE PRAYER REQUESTS!

Let's face it, things have gotten pretty rough lately. I do a classic double take whenever I open up my electric bill, or watch the cash register going into triple digits when I buy groceries. We need all the help we can get. That's why I set up my FREE PRAYER REQUEST CENTER. Go to the page at my site, fill in the request, and I will have prayers said for your desire! NO SPAM will come from me. I do not even store emails. Here's the link: tinyurl.com/Free-Prayers
